Ideology

I aim to inspire others through the experiences that I create and enable them to become makers themselves, be it digitally or otherwise.

Work

Senior Systems Designer & Figma Expert @ Cisco
Remote May 2022 - Present

I create and manage design systems that improve design and development efficiency. I also advocate for and elevate the overall team's knowledge and familiarity with Figma.

Senior Design Consultant @ Bld.Ai
Remote January 2022 - April 2022

I managed multiple client relationships from around the world to help discover and deliver new and engaging experiences that help their users.

UI/UX Design Consultant @ Slalom
Dallas, TX March 2019 - Dec 2021

I worked hand in hand with various clients across different industries to help solve problems and create meaningful experiences for their users.

UI/UX Designer @ R3PI
Roanoke, TX June 2016 - March 2019
